Diagnostic Tool

Is This For You?

Match (YES)

- Wants independent final decision and Demat transaction control.
- Needs alternatives to Mutual Funds and PMS.
- Lacks time/expertise for deep research.
- Wary of free financial advice.

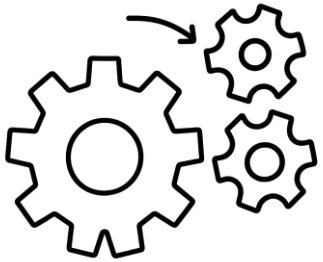

Mismatch (NO)

- Wants Private Equity, F&O, or Intraday advice.
- Needs personalized stock service.
- Monitors portfolios frequently, or fears volatility.
- Has a horizon of less than 3 years.
- Seeks short-term tips.

Why finding promising stocks is difficult.

Success hinges on an individual's ability to make timely decisions backed by deep knowledge, strong conviction, and enduring patience.

The Process Gap

Lack of a disciplined research process.

The Skill Gap

Lack of time and expertise; reluctance to seek expert guidance.

The Trust Gap

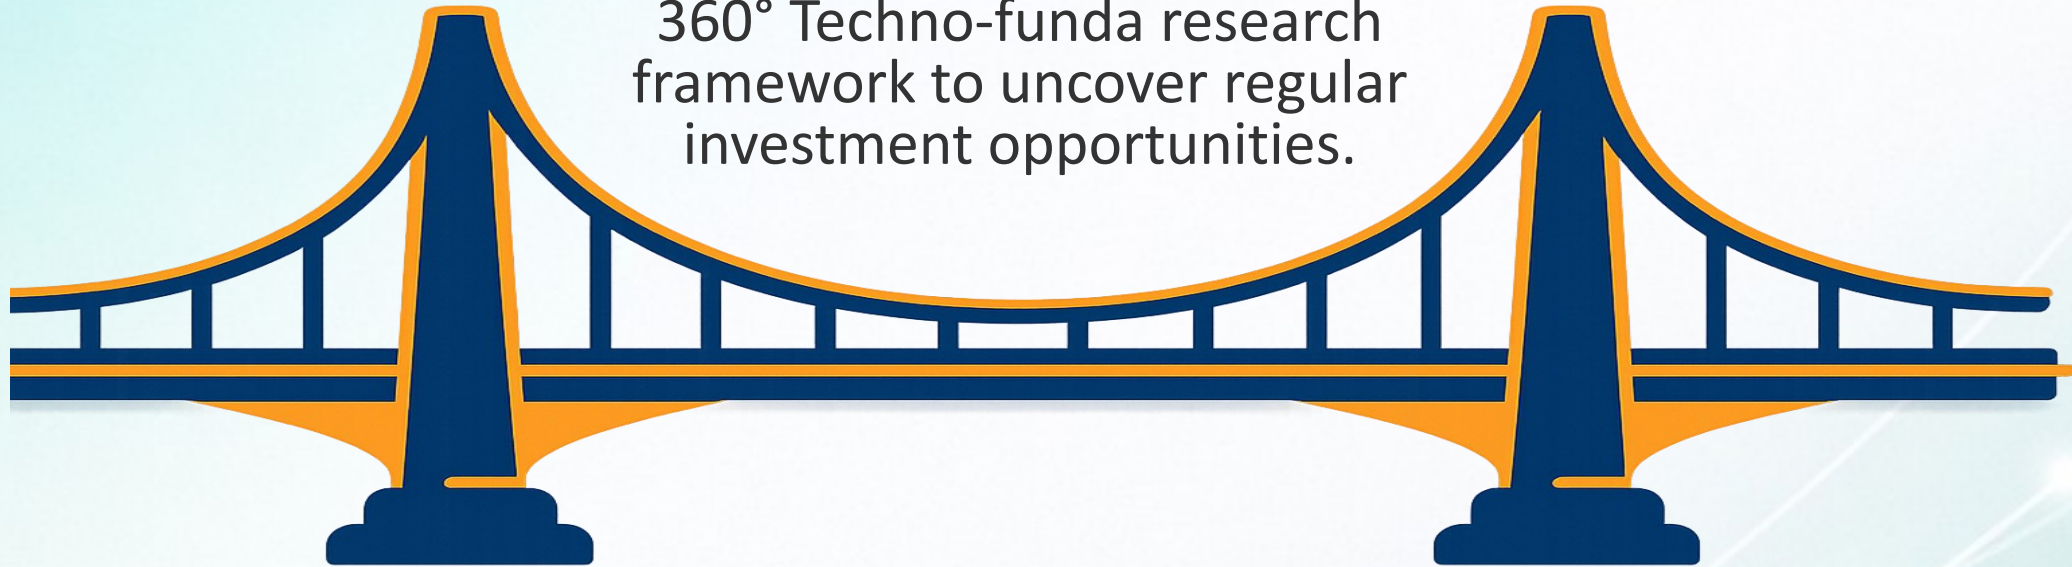

The market is filled with opaque tips, and misaligned incentives.

Bridging the Gap: Our Approach

Robust Process

360° Techno-funda research framework to uncover regular investment opportunities.

Skilled Professional

Qualified research professional that uses a calibrated process to pick and recommend stocks with rationale.

SEBI-Registered Service

An accountable service where "Client Benefit Always First" is the core business philosophy.

Our Methodology

Repeatable, 360° Techno-funda Research

The Discovery Framework: IF.ITS.SMS

The criteria every recommendation must meet.

What You Receive: Insights, Not Just Tips.

New Ideas Discovery

Detailed report explaining the IF.ITS.SMS rationale.

Cadence: As discovered (quality over quantity).

Existing Ideas Updates

Concise notes for stocks under active coverage.

Cadence: As needed (based on material changes).

Note: We provide insights; clients retain full control over final investment decisions.

Our Stock Research Plan

One Plan. One Goal. A deliberate choice to focus entirely on delivering our best ideas.

Improving Fundamentals + Interesting Technical Setups + Still Mis-Priced Stocks

→ Yearly 12~20 new ideas discovery[^]

→ Detailed research reports

→ Buy and Hold Approach (Cash Buy)

→ Medium-Term (2~3 Yrs.) Perspective

→ Evolving updates for existing ideas

You Must Know:

- [^]On a regular basis, new businesses are researched. Reports are published with appropriate recommendations, enabling swift action when market price becomes favorable. Hence, do note that not every idea will carry a “Buy” or “Accumulate” rating at the time of coverage initiation.
- *Fee is refundable on a pro-rata basis for the unused period.
- All communications will be in English and sent to the client’s registered email ID.
- More details are provided in the Terms & Conditions disclosure.
- Entire market is our universe.
- Clients retain full control over their account, and final investment decisions.
- **FYI/P:** Stocks are inherently volatile asset class. Expect drawdowns in your investment journey. This can be mitigated to an extent by diversification i.e. invest stock net worth in 5 to 20 stocks, calibrated to your conviction and risk tolerance.
